Order Instituting Rulemaking to establish the
California Institute for Climate Solutions.

Rulemaking 07-09-008
(Filed September 20, 2007)

**ADMINISTRATIVE LAW JUDGE'S RULING
EXTENDING SCHEDULE FOR FILING COMMENTS
AND RESPONSES TO COMMENTS**

Comments and Reply Comments

On September 20, 2007, the Commission issued Order Instituting Rulemaking (OIR) to consider Establishing a California Institute for Climate Solutions. Ordering Paragraph 5 of the OIR directed Pacific Gas and Electric Company, Southern California Edison Company and San Diego Gas & Electric Company and other interested parties to file opening comments on the OIR by October 19, 2007, and responses to comments by November 5, 2007. This ruling extends the dates for filing comments to November 2, 2007, and extends the date for filing responses to comments to November 19, 2007.

The OIR set forth questions that are relevant to the Commission's consideration of the funding, goals and organizational structure of the proposed University of California Institute for Climate Solutions. The Commission wants all interested parties, as well as the three utilities and the University of California, to have an adequate opportunity to respond to the questions in the OIR, and therefore extends the comment and responses to comment schedule to allow for full development of the record.

Good cause having been found, the schedule for filing comments and responses to comments to the questions set forth in the OIR are hereby extended so comments are due November 2, 2007 and responses to comments by November 19, 2007.

IT IS RULED that the dates for filing comments and responses to comments to the Order Instituting Rulemaking are extended as set forth above.

Dated October 10, 2007, at San Francisco, California.
